## NAVEL ORANGES

Harvested under the close watch of our growers, Bee Sweet's Heirloom Navels are revered for their distinctive characteristics and superior flavor. Grown on older blocks of well-aged trees, the variety is a testament to California's rich history in agriculture, and celebrates generations of family farmers who have dedicated their livelihood to growing exceptional citrus. Heirloom Navels are unmatched in flavor and a seasonal gift to citrus lovers everywhere, truly proving the best things in life withstand the test of time.
